Maam:

Diosdado Macapagal Elementary School, Compostela East District would like to request for inspection of our Information Communication Technology (ICT) equipment, specifically DCP Batch No. 16, Batch No. 40, and DCP Batch No. 42. Based on Inventory of gadgets last July 14, 2022 some of our gadgets were declared UNSERVICEABLE due to series of calamity on floods that happened.

March 13, 2024, the school decided to request a private technician to repair the equipment so that it could be serviceable, and it was realized.

In this regard, we would like to request for validation of our DC Programs equipment.

We will be waiting for your convenient time to response our humble request.

Herewith attached the PROPERTY ACKNOWLEDGEMENT RECEIPT for reference.

God Bless us.
