Division of Davao de Oro

Dear Ma'am Epe:

Greetings of peace and prosperity!

The Research and Development Division will be conducting the *3<sup>rd</sup> DDOSC Student Research Congress 2024*. This office would like to ask for an endorsement from the Division Office for the dissemination of this invitation. This event will showcase the research outputs of DDOSC students and senior high school students from Davao de Oro. The event schedule is **May 23, 2024, at the Davao de Oro State College – Main Campus**.

The undersigned would like to invite all senior high school students from the public schools of the Schools Division of Davao de Oro with completed research for School Year 2023-2024 to submit their manuscripts at [research.main@ddosc.edu.ph](mailto:research.main@ddosc.edu.ph) not later than **May 19, 2024**. The top 10 pre-screened presentations will be notified through their respective email address on **May 20, 2024**.

Also, the college will conduct a clay pot design competition. The clay pot design competition is open to five (5) interested participating schools (1 representative per school) on a first come, first served basis. The materials for the said competition will be provided by DDOSC. Interested participants may send an email to [research.main@ddosc.edu.ph](mailto:research.main@ddosc.edu.ph) not later than **May 19, 2024**. The first five participants will be notified through email on **May 20, 2024**.

Should you have any questions, please contact us at [rdd@ddosc.edu.ph](mailto:rdd@ddosc.edu.ph). Thank you, and we look forward to hearing from you.

Sincerely,

## **3rd Student Research Congress**

May 23, 2024, | Davao de Oro State College – Main Campus, Compostela, Davao de Oro

### **I. Rationale**

The Student Research Congress hosted by Davao de Oro State College, in collaboration with the Provincial Local Government Unit of Davao de Oro, provides a platform for students to showcase their research projects, share ideas and insights, and engage in critical thinking. Through this event, students can present their research to a broader audience and receive feedback from experts in their field. Additionally, the Conference encourages students to develop their research skills and explore new study areas.

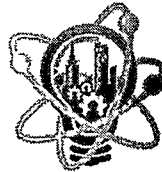

The Conference also promotes research as an essential tool for academic advancement and personal growth. By participating in this event, students gain a deeper understanding of the research process, from identifying research problems to analyzing data and presenting findings. Furthermore, the Conference aims to cultivate a culture of research in the academic community by providing a venue for students to connect with other researchers, collaborate on future projects, and foster a sense of camaraderie and intellectual curiosity. Overall, the Student Research Conference is a valuable platform for students to showcase their research, develop their skills, and contribute to advancing knowledge.

### **II. Objectives**

The objectives of the Student Research Congress are:

1. To provide a platform for students to showcase their research projects and findings, promoting their academic and research skills.
2. To promote intellectual discourse and collaboration among students from various institutions, leading to the formation of collaborations and networks.
3. To encourage and motivate students to engage in research and contribute to the advancement of knowledge in their respective fields.
4. To promote academic excellence and research culture among students by recognizing and rewarding outstanding research work.
5. To provide an opportunity for students to receive feedback and constructive criticism on their research work, helping them improve their research skills and methods.
6. To encourage the practical application of research work and its contribution to the development of the community and society.
7. To promote the values of academic freedom, intellectual curiosity, and critical thinking among students, contributing to the development of a knowledge-based society.

Overall, the Student Research Congress aims to provide a platform for students to showcase their research skills, promote intellectual discourse and collaboration, encourage research culture and academic excellence, and contribute to the overall development of the academic community and society.
