Department of Education

Dear Superintendent Epe,

Greetings from DICT Region 11!

We are pleased to inform you that several schools under the jurisdiction of the **Schools Division of Davao de Oro** have been selected as beneficiaries of the Department of Information and Communications Technology's (DICT) Free Wi-Fi for All Program. This initiative aims to digitally empower the Filipino people by providing free internet access in public places, in accordance with Republic Act No. 10929, also known as the "Free Internet Access in Public Places Act."

Pursuant to Section 4 of R.A. 10929, the Free Wi-Fi for All Program ensures that internet access is available in various public establishments, which includes public schools, among others. This initiative is a significant step toward providing equitable access to information and bridging the digital divide for all, particularly for the marginalized sectors of our society.

In light of this, we would like to request an online meeting through Zoom with the school heads and their designated coordinator of the beneficiary school of this program to conduct an orientation session. The objective of this session is to provide detailed information about the program, its benefits, the roles of the beneficiaries, and the operational guidelines to ensure its optimal utilization and the success of this project. The list of beneficiary schools is attached for your reference.

Meeting details:

Platform: Zoom

Meeting ID: 951 7258 2793
