DIVISION MEMORANDUM  
No. 524, s. 2024

**REVISED SENIOR HIGH SCHOOL SUBJECT SCHEDULE**

To: Assistant Schools Division Superintendent  
Chief Education Supervisors  
Education Program Supervisors  
Public Schools District Supervisors/ District Coordinating Principals  
School Heads of Public Secondary Schools with Senior High School

1. In reference to DepEd Regional Memorandum No. 124, s 2015 or the Core and Applied Subjects to be Offered for Senior High School Grades 11 and 12, contents of which are self-explanatory.
2. To ensure equitable distribution and maximize the existing teaching workforce, a revision of the subject scheduling in Senior High School is proposed. Specific adjustments in subject scheduling include:
  - a. Moving Entrepreneurship from Grade 11 first Semester to Grade 12 second semester.
  - b. Moving understanding culture, society, and politics from Grade 12 first semester to second semester.
3. Changes aim to reduce the total number of SHS subjects schedule per semester with the right distribution which could equate to balance distribution of teaching load for teachers and maximizing learning time for students.
4. The revision shall take effect in S.Y. 2024-2025, in a progressive level starting with Grade 11.
5. In case there are learners who earned subjects but do not entirely align with this scheduling (including transferees) schools may choose to assign these subjects in addition to their regular subjects as back subjects (maximum of 2 subjects only), or learners may opt to take them during end-of-the-school-year classes in accordance with the provisions outlined in DepEd Order No. 8. S 2025 (Policy Guidelines on Classroom Assessment) and DepEd Order No. 14, s. 2023 (Policy Guidelines on the Implementation of the National Learning Camp).
