COMMUNICATIONS TECHNOLOGY

3 July 2024

DR. CRISTY C. EPE
Schools Division Superintendent
DepEd - Davao de Oro Division
Nabunturan, Davao de Oro

Dear Dr. Epe:

Greetings from the Department of Information and Communications Technology Region XI!

By virtue of Republic Act 10929 or an "ACT ESTABLISHING THE FREE INTERNET ACCESS PROGRAM IN PUBLIC PLACES IN THE COUNTRY AND APPROPRIATING FUNDS THEREFOR," the availability of internet connectivity free of charge at all public places nationwide has been effectively institutionalized. The DICT, as the implementing body of RA 10929, seeks to fulfill all provisions stated therein through the freewifi4all-Free Public Wi-Fi Internet Access in Public Places Project.

In view of this, we would like to endorse by way of this correspondence, **Philippine Communications Satellite Corporation**, our Project partner in your campus.

As such, the granting of authorization to them to conduct site surveys, installation, and other related activities, along with additional support, for them to fulfill their contracted services under the Free Public Wi-Fi Project, would be greatly appreciated. *Please see Annex A for the list of sites for their implementation.*

Thank you very much and we are looking forward to working with you towards a more ICT-empowered Philippines. If you have any concerns please don't hesitate to contact our DICT XI Davao de Oro Provincial Officer, Engr. Ronilo M. Santa Cruz, through mobile at 0949 831 3777 or email at ronilo.santacruz@dict.gov.ph.

Very truly yours,

Digitally signed
