Dear **Superintendent Epe**,

We are pleased to invite you to participate in the upcoming **Digitalization Workshop for Local Government Units (LGUs)**, organized by the Department of Information and Communications Technology (DICT) Region XI. This workshop is scheduled to take place August 30, 2024 at Raine Function Hall, COMVAL hotel. **Expected participants are your Planning Officer and IT Head/IT In-Charge.**

In line with our mandate under Republic Act 10844, the DICT is committed to formulating, recommending, and implementing national policies, plans, programs, and guidelines that promote the development of a robust Information and Communications Technology (ICT) agenda across the nation. As part of this commitment, we are prioritizing digital transformation initiatives to enhance governance, improve public service delivery, and drive economic growth in the Philippines.

The **Digitalization Workshop for LGUs** is designed to support these objectives by equipping local government units with the knowledge and tools necessary to embrace digitalization. The workshop aims to streamline processes, reduce bureaucracy, and promote transparency in government services, making them more accessible and efficient for all citizens, including those in marginalized and remote communities.

Our strategy includes building a strong digital infrastructure, fostering public-private partnerships, establishing supportive regulatory frameworks, and promoting digital literacy. These efforts will not only enhance operational efficiency but also build public trust, ensure inclusive growth, and strengthen the Philippines' competitiveness and resilience in the global digital landscape.

Please see attached program hereto attached for your reference and should you have any questions, please feel free to contact **Darla Guirigay** on this mobile number **09638226273** or email him/her at darla.guirigay@dict.gov.ph

We look forward to your valuable presence and contribution in making this event a success. Thank you!

Very truly yours,

Digitally signed
