DIVISION MEMORANDUM

No. 706, s. 2024

CELEBRATION OF SCIENCE MONTH 2024 AND ACTIVITIES

To: Education Program Supervisors
Public Schools District Supervisors/ District Coordinating Principals
School Heads
Science Coordinators
All Teachers

1. Pursuant to Proclamation No. 264 s. 2002, declaring September of every year as the National Science Club Month authorizing the Department of Education to implement plans and activities pertinent thereto in strengthening and giving recognition to the science clubbing movement and network as a significant educational tool to encourage and inspire the youth and students to pursue careers in science and technology.

2. Series of curricular activities will be done in September 2024 without disrupting classes highlighting science and technology specifically in climatology emphasizing the theme: *ClimaQuest: Forecasting Wind Shifts, Charting Climate Futures*. A very short and simple opening program during the flag ceremony is encouraged. Global Warming and Climate Change Leaflet to be distributed anytime within September can be accessed here

3. To further intensify science education, science coordinators are expected to join the PROJECT ACHIEVE Showcasing of Strategic Intervention Materials on September 27, 2024 at Nabunturan National Comprehensive High School from 9:00am – 4:00pm.

4. To ensure the participation of all students in the monthlong activities, the schools are advised to conduct the Division Wide PROJECT IISA: **INTEGRATIVE & INCLUSIVE SCIENCE ACTIVITIES FOR STUDENTS** with suggested schedule on September 27, 2024 as part of the culminating activity. List of activities to be conducted with guidelines and mechanics can be accessed here

6. Municipal Wide Science Wide Competition may be done if resources can be provided by the districts involved with Activity Design submitted to the Division Office two weeks prior to conduct. As per DepEd Memorandum, there are only two contested events for Division, Region and National level in Science and these are Science Investigatory Projects which will be conducted through Division Science Technology Fair and Stemazing which will be conducted through Division Festival of Talents.
7. During the school based culminating activity, STE schools are encouraged to display the Science Investigatory Projects of STE students in preparation for the DSTF on October 2024 with memo to be issued separately.
8. Science film showing, in-school tree planting, science exhibits and showcases are also encouraged within the month as part of the science instructions.
9. For your information and compliance.
