In 2013, the Department of Education implemented the K to 12 Program under the Enhanced Basic Education Act (RA 10533), designed to streamline and standardize the basic education system. This reform aims to prepare Filipino learners for the challenges of the 21st century by making education more responsive, globally competitive, and relevant. The Senior High School (SHS) is a critical component of this program and it is specifically designed to improve graduates' employability through Technical-Vocational programs, entrepreneurship, and college readiness.

## OFFICE OF THE UNDERSECRETARY FOR CURRICULUM AND TEACHING

The activities aim to streamline the Senior High School Curriculum through:

1. reducing subject offerings under core, specialized, and applied SHS curricula;
2. enhancing the key stage standards, grade level standards, content and performance standards, and learning competencies per quarter for a balanced distribution of cognitive demand across grade levels; and
3. address other identified gaps in the SHS Curriculum Guides.

In this regard, the Regional Offices through the Curriculum and Learning Management Division (CLMD), are requested to identify Education Program Supervisors, SHS School Heads, and SHS Focal Persons/SHS Coordinators to participate in this activity (see Enclosure 1 for the Matrix of Participants). The names of the participants shall be endorsed by the Regional Director to ECD through email address [bec.od@deped.gov.ph](mailto:bec.od@deped.gov.ph). The selection of the participants shall be based on specific qualifications. (See Enclosure 2)

Likewise, the Bureaus under the CT Strand are requested to send in specialists for the three (3) activities:

Bureau of Learning Delivery	20
Bureau of Learning Resources	3
Bureau of Alternative Education	5

Board and lodging, supplies, materials, and travel expenses of participants shall be charged against 2023 BEC Continuing Funds. In case the downloaded funds are insufficient, additional funds shall be obtained from other available local funds subject to usual accounting and auditing rules. (See Enclosure 3)
