OCT 15 2024

Dear Dir. Farnazo

10/15/24

In line with the celebration of the upcoming **"National Science, Technology, and Innovation Week (NSTW)"**, the DOST XI will conduct the **"2024 Regional Science, Technology, and Innovation Week (RSTW)"** on **November 11-12, 2024, Monday and Tuesday**, at the **Abreeza Ayala Malls, J.P. Laurel Avenue, Bajada, Davao City**. This event shall enhance the awareness of the public understanding and appreciation of Science and Technology and its impact to the everyday life.

With this year's theme, **"Luntiang Ekonomiya: Buhay, Kalikasan, at Kabuhayan sa Bagong Pilipinas"**, the DOST XI will showcase Regional Innovations that will highlight breakthroughs and achievements from regional scientists, researchers, and technopreneurs. The two-day event will feature interactive technology exhibits, project launch, technology pitching, forums, bazaars, and educational tour to promote Science, Technology and Innovation (STI) to our various partners, stakeholders and the public.

To promote more awareness of the STI developments in the Davao Region, we will also be holding various side events which will include a **2-day lecture series and workshops** on various topics that include **Showcase of Local Innovations for Green Economy, Showcase of Emerging Technologies for Green and Smart Community, MSME Food Technology Clinic, Innovations for Agriculture**. One of the highlighted activities related to the organization are the following:

Activity Title	Schedule	Venue	Target Participants
Natural Dye Silk Screen Workshop	Nov. 11, 2024 at 3:00 – 5:00 PM	Activity Area of Abreeza Ayala Mall	100 Students from High Schools and Colleges
PAKIGLAMBIT: Creating and Safeguarding Sustainable Science Investigative Project	Nov. 12, 2024 from 8:00 AM to 5:00 PM	To be coordinated	High School Teachers (by invitation only)

For direct and immediate coordination, we hope to reach out and send the direct invitations to the School Division Office in the Provinces for the PAKIGLAMBIT Activity. Please be informed that this activity will be conducted together with the PSHS-Southern Mindanao Campus.

As one of our development partners, we respectfully request your strong support and extend the invitation to the different high schools in the Region and allow the participation of teachers and students to the applicable abovementioned activities.

Furthermore, we would be honored if you could join us during the **"Opening Ceremony, Side Events, and Closing Ceremony"** of the RSTW. A ribbon cutting ceremony and exhibit tour will follow thereafter the Opening Ceremony.

We would appreciate receiving confirmation of your attendance for the **said activities** which may be done by sending back the attached confirmation slip or registering through this link: <http://2024RSTW.org/Registration> or to the QR code below on or before **October 25, 2024, Friday, 05:00 PM**. For your reference, we have enclosed a copy of the **Event Briefer and Provisional Program**.

Our RSTW Invitation and Registration Committee Member, **Ms. Mae A. Malabong** will coordinate with your office regarding this request. She may also be reached through telephone numbers (082) 227-1313 or mobile number 0997-539-8177 or via email address mamalabong@region11.dost.gov.ph.

We look forward to your participation in this event, and together, let's bring #oneDOST4U to the Region.

Very truly yours,

DR. ANTHONY C. SALES, PFT, CESO III
 Regional Director

REGIONAL SCIENCE, TECHNOLOGY, AND INNOVATION WEEK

The RSTW is the localized celebration of the National Science and Technology Week which serves as an avenue to highlight the critical importance of Science, Technology, and Innovation (STI) in society through a series of activities with participants from various sectors.

The theme of this year's RSTW, "Lunfang Ekonomiya: Buhay, Kalikasan, at Kabuhayan sa Bagong Pilipinas", highlights the crucial role of Science as a cornerstone for societal progress and development.

Date: November 11-12, 2024

Objectives

- **Promote Science and Technology Awareness:** Enhance public understanding and appreciation of science and technology and their impact on everyday life.
- **Showcase Regional Innovations:** Highlight breakthroughs and achievements from regional scientists, researchers, and technopreneurs.
- **Encourage Collaboration:** Foster partnerships among academia, industry, government, and communities to drive technological advancement.
- **Support Policy Development:** Provide insights and recommendations for science and technology policies that can propel regional growth.

Target Audience

- **Students and Educators:** From primary, secondary, and tertiary levels to boost interest in STEM fields.
- **Researchers and Academics:** To present their work and engage with the community.
- **Industry Professionals (Entrepreneurs, Innovators):** From tech companies, startups, and other sectors interested in Science and Technology.
- **Government Officials:** Policy makers and regional development planners.
- **Media Partners:** To increase media mileage/coverage through presscon and media coverage.
- **General Public:** To increase awareness and interest in science and technology.
